## PANTIN® CLICK

The PANTIN CLICK foot ascender is designed to make rope ascent more efficient and less tiring. It is used in conjunction with CROLL, ASCENSION, or ASCENTREE rope clamps. Equipped with a ratchet adjustment system, it is quick and easy, providing precise adjustment and optimal fit. It features a catch that makes it easy to install the rope and keep it in the device while ascending. The PANTIN CLICK is available in right- and left-foot versions.

Very quick and easy to set up and release with the ratchet buckle system.

The PANTIN CLICK is equipped with a ratchet buckle and ladder strap that provides precise adjustment and optimal fit throughout the workday.

Toothed cam with a self-cleaning slot optimizes performance under a variety of conditions (such as frozen or dirty ropes).

The catch helps keep the rope in place when ascending.
